Together, we can help the UK get to grips with guts.

Guts UK is the national charity for the digestive system. We provide information and support to people affected by digestive conditions and symptoms and we are the only UK charity funding research into the whole digestive system.

How your donations can help:

£3

could provide a Can't Wait Card for someone living with digestive symptoms, offering urgent access to public toilet facilities.

£10

could provide information and support to someone contacting Guts UK's Helpline when they need it most.

£25

could fund an hour of a research scientist's time, helping them develop better treatments and diagnostic methods.

What I'm doing and why I'm fundraising for Guts UK:

My fundraising target is:

Gift Aid your donation and boost every pound you donate by 25p!

If you're a UK taxpayer, you can Gift Aid your sponsorship donation so we can turn every £1 you donate into £1.25, without it costing you a penny extra. If you're eligible, please include your full name, home address and postcode and tick the Gift Aid box.

*By ticking the 'Gift Aid' box, I confirm that I am a UK Income or Capital Gains taxpayer. I have read this statement and want Guts UK to reclaim tax on the donation detailed above, given on the date shown. I understand that if I pay less Income Tax/or Capital Gains Tax than the amount of Gift Aid claimed on all of my donations to charities and CASCs in the current tax year, it is my responsibility to pay any difference. I understand the charity will reclaim 25p on every £1 that I have donated.
